

Provision of information concerning the activities carried out by the Ombudsman of the Sumitomo Mitsui Brasileiro S.A. Bank, including data referring to the direct evaluation of the quality of the service provided

Base date: June 30, 2024

The Ombudsman of the Sumitomo Mitsui Brasileiro S.A. ("SMBCB") represents the link between SMBCB and its customers, the purpose of which is to ultimately meet the demands of customers or users, or any other legally equivalent to them, of products and/or services offered by SMBCB ("Applicants"), which have not been addressed through the primary SMBCB service channels, and to act as a communication channel between SMBCB and the Applicants in the mediation of conflicts (purpose).

In view of the obligation contained in Article 13 of Resolution of the National Monetary Council (CMN) No 4.860 of 23 October 2020 (Resolution CMN No 4.860/2020), the Office shall make available, by means of this document, information on the activities carried out, including data on the direct quality assessment of the service provided at the base date of 30 June 2024 ("Base Date").

I. Activities of this Office

The activities/tasks of the Ombudsman are considered as specified in the Ombudsman's policy and as made available on the SMBCB's electronic website and, consequently, of the ombudsmen:

- ❖ meet, register, instruct, analyze, treat formally and appropriately the demands of the Applicants;
- ❖ to provide clarification to the applicants on the progress of the demands by informing them of the deadline for reply;
- ❖ to send the Applicant a conclusive response to the demand within the legally foreseen deadline; and
- ❖ Proposals for corrective actions or improvement in internal routines and procedures are also part of the scope of this Notice, in order to avoid recurrence of occurrences regarding inefficiency of service delivery, SMBCB service, or even irregularities in service and services provided to SMBCB customers.

A) Activities relating to the Office's activities in relation to Demands

During the first half of 2024, a total of 8 (eight) occurrences were received, and requests were formally dealt with and rejected, except for unsuccessful calls for testing, abandonment and/or deception, these being the following (among the classifications existing in the Office):

- ❖ Resolved Demand: the occurrence received, recorded, treated appropriately and in time, and finalized with final and conclusive response forwarding to the Applicant within the legal deadline, in accordance with the applicable rules; and

- ❖ Dismisses The Application: the occurrence of a demand for the ombudsman's incompetence and/or unproven after the ombudsman's investigation process (including testing, abandonment and deception links).
- ❖ **No Unsolved Original Demands were recorded.**

The following table covers all the demands for the first half of 2024:

B) Data Relating to Direct Quality Assessment of Outward Service

This Ombudsman has a telephone tool to directly assess the quality of service to customers and users of SMBCB products and services, structured so as to obtain notes between 1 and 5, with 1 the lowest satisfaction level and 5 the highest satisfaction level.

The assessment shall be made available within 10 (1) business day following the submission of the conclusive response to the Applicant and shall be completed within 5 (5) working days after the end of

the above-mentioned deployment deadline, with the Satisfaction Search being carried out by means of External Audited Response Unit (UAR) to the Processed Demand Applicants, regardless of whether or not demand is due pursuant to Resolution CMN No 4.860/2020.

However, pursuant to Article 18(II) of Resolution 4.860/2020 and BCB Rule No 265 of 31 March 2022, the results of the Satisfaction Surveys are duly forwarded to the Central Bank of Brazil, every month.

Thus, data for the first half of 2024 can be found in the table below:
